

GOD'S "ONE ANOTHER" PLAN

God has a long list of "one another" verses that must not be ignored if we (the church) are to shine forth as beacons on a hill. The spiritual light of individual Christians will become brighter to the world as more of God's "one another" plan works in us.

You may find more "one another" verses than these listed.

If (or when) the "one another" plan of God is put to practical use, a church with a good dose of "one another" will not be concerned about interpersonal relationships going sour within the body.

Very few of the "one another" verses may be carried out in public worship alone. We must also go outside the assembly in order to put God's "one another" plan to practical use.

Know and use this plan, and you will be one of the richest saints this side of heaven.
