

STUDY TO SHOW YOURSELF APPROVED
2 TIMOTHY 2:15

1. What does this mean ?

-You must know the instructions or directions

A doctor does not pick up a scalpel and instantly know how to operate

A mechanic does not know how to repair an engine simply by looking at it

-Know the entire message

John 3:16-17; Mark 16:15-16

Are they saying two different things NO You must know the whole to explain the

End

-Know your audience

Their background (laborers, skilled technicians, management)

Teach to their level (too low you bore and insult, too high they just tune out)

Jesus taught TO his audience not AT them

-Know the culture

Bull in the china shop approach results in nothing but rebellion

Do not insult or tear down beliefs Acts 17:22-34

-Each has their own talent to teach

Eph 4:11-16

We all have our part to play in the grand scheme. Rather front line, in the front of and audience or by a living example. We must know the instructions to perform our function correctly
